

Application of: Timothy A. Johnson
Serial No.: 10/629,855
Filed: July 30, 2003
Supplemental Response dated March 19, 2008

REMARKS/ARGUMENTS

Favorable reconsideration of this application, in light of this amendment, is respectfully requested.

Claims 1-12 are currently pending in the application. No claims have been amended herewith. The specification has been amended to include a missing Figure number in the Brief Description of the Drawings. The changes are supported by the original specification and do not introduce any new matter.

It is respectfully requested that this amendment be entered under 37 C.F.R. 1.116(b)(1) as it is similar to an "amendment ... complying with any requirement of form expressly set forth in a previous Office action" as it would have been required had it been recognized prior to the last Office Action. Accordingly, the application is believed to be in condition for allowance.

Respectfully submitted,
